The Call to Consciousness Self-Awareness to Heal the Divide

Hilma af Klint, Dove No. 2

Pathwork Teachers lead the discussions which include meditations, prayers and exercises. Open to new and experienced Pathworkers. Come to one or all the sessions. These meetings will be online until further notice.

The Philadelphia Pathwork Region is part of a worldwide spiritual community whose purpose is to embody the principles and practices contained in the Pathwork Guide lectures.

Our world is undergoing a period of upheaval that is highlighting many areas in need of greater consciousness and change. As Pathwork teaches, awareness and change on the outer level starts on the inner level. We work through inner barriers to find a greater truth and connection to spirit.

This year's theme will help us heed this Call to Consciousness with a series of lectures that guide us in healing the divide within ourselves and creating a more unified consciousness. This consciousness can then open the way to lasting change that serves everyone.

Plan to join us each month next year as we gather to explore a Pathwork lecture on the theme of "The Call to Consciousness." More information will be available in August.
